Eric Hagood

Title
McKinney, Tx · 469.834.3930 | Eric.Hagood@gmail.com |

Aspiring software developer seeking to leverage strong critical thinking and problem-solving skills to build and design software

SKILLS

Java, C#, HTML, CSS, Javascript, Node.js, Express, React, Python, Flask, Git, GitHub

PROJECTS

General Assembly,   05/2020 - 08/2020
Software Engineering Immersive Program
Applied skills in X, Y, and Z in a 500-hour full-time course. Developed a portfolio of projects:
A Character Database- This project was built using Javascript, mongo and mongoose, express and ejs to build a database that could create and track different characters with certain parameters such as class, level, name, and backstory.
Bookworm - Bookworm is a NoSQL database built to help track the users book collection including favorites and books the user wishes to read. My role in this project was building the backend server and writing the code on the front end making calls to and receiving data from the Google Books API.
A Useful Location Generator - This is a project designed to generate random coordinates and task the user with traveling to those coordinates. The main goal of this project was to learn how to use the google maps API and writing a backend API in python using flask to create a SQL database.

EXPERIENCE

Sam's Club, McKinney, Tx | Produce Associate   09/2019 - 05/2020
Tasked with unloading incoming truck shipments and sorting them into like pallets, keeping department fully stocked and clean, as well as consulting with customers while they were shopping.

EDUCATION
